## COUPLE'S RETREAT

Celebrate love and connection with our signature Couples Indulgence Package, designed to awaken the senses and bring you closer in complete relaxation. Your journey begins with a 50-minute nourishing body treatment that exfoliates and hydrates your skin, leaving you both soft and glowing. After, our therapists blend techniques for a 50 minute customized, full-body massage. Conclude the experience and unwind in a private lounge with complimentary chilled champagne and chocolates. Savor the moment together in complete comfort and peace.
